1. [] has no intention of discussing the plan for dispatching W/T operator to Pine Tree Team but would appreciate knowing the name and locale from which the candidate was recruited. ?

2. For []'s info: Operations are something we just don't talk about these days, but [] understands the political leaders have their spy networks going 24 hours a day trying to find out what we are doing. [] suggests we not concern ourselves at this time but cross that bridge when we come to it.

3. In this respect, [] has reason to believe that [] is an informer for certain members of HTNEIGH.
